+3 years experience as a Full Stack Developer. Track record working in multidisciplinary teams that deliver innovative customer-centered products. Self-learner with a track record backed by a diverse range of experiences.

MOST RECENT WORK EXPERIENCE

Full Stack Web Developer at MujerSinReglas

2023 [Barcelona. Spain] [Health and Wellness, B2C]

RESPONSIBILITIES

- Design a website to align with the essence and identity of the person it represents.
- Develop a web application based on React, Redux, Node.JS, Express and MongoDB.
- Identify opportunities to actively contribute to the development of new features and bug fixes.

KEY ACCOMPLISHMENTS

- Cut sales commission expenses by 50% by switching from PayPal to Stripe for payments.
- Achieve a significant reduction in order management time by implementing a custom administration panel.
- Enhance the client's visibility and their ability to showcase their projects and workshops effectively.
- Implement a CMS for seamless web content control and updates.

Editor at MujerSinReglas Agenda

2020 - 2023 [Barcelona. Spain] [Health and Wellness, B2C]

RESPONSIBILITIES

- Conceptualize and design the agenda's layout to align with the brand's identity and messaging.
- Edit and format the content within the agenda with Indesign, guaranteeing clarity and visual appeal.
- Maintain meticulous records of invoices and manage tax-related documentation.

KEY ACCOMPLISHMENTS

- Reduced editing time by 50% in 2023 through successful automation implementation.
- Successfully aligned the final design with the project's vision and objectives, meeting aesthetic goals.

Web Developer at La Vida En Rojo

2021 [Barcelona. Spain] [Non-Profit Organization]

RESPONSIBILITIES

- Design and develop a web application based on React, Bootstrap and SCSS.

KEY ACCOMPLISHMENTS

- Successfully developed a design that integrated with the association's mission and core values.
